## **How Should You Answer God's Calling?**

Exodus 3:1-20

Faith is very important, however, having the consciousness of God's calling is the start to the believer's life. There will be a huge difference between having the consciousness of God's calling and commission and not knowing it within your heart, attitude, and evangelism that will arise in the future as you hold to the spiritual authority to fight the spiritual battle. Before God, you must examine yourself as an evangelist, meditate, pray, and have the time to question Him.

### **1. Reason for not realizing the calling**

- 1) It is because you do not know the Gospel.
- 2) With the evidence of the Gospel, you must first stand as a witness.
- 3) The spiritual eyes must be opened.
- 4) You must be a person of God that is one with God - All in.

### **2. In order to realize the reason for God's calling**

- 1) You must first come to know the Gospel and taste the Gospel.
- 2) Exodus 3:8 Know God's desire (Canaan).
- 3) Exodus 3:1-20 God gives the Word and it must be the covenant to you.
- 4) 1 Peter 5:7, 1 Corinthians 12:9-10 If you know what people need is the answer.
- 5) Exodus 3:17-18 Know God's goal (Promising land, sacrificial offering)

### **3. The evangelists assurance**

- 1) God is with you - Exodus 3:10-12, Matthew 28:20
- 2) God's calling - Exodus 3:2,8 Matthew 4:19
- 3) God will do it - Exodus 3:20

## What Was Commanded to the Evangelist?

God has completely opened the door of evangelism. As the result, the whole world is in a frenzy over missions. At this time, we must accurately understand what the Holy Spirit is commanding. If this is not clear, you will not be aligned with God's direction to which all will be in vain. Also, it can become a hindrance to God's work. Your content and direction must be matched to the Bible to which God will be at work with ease.

1. **Life movement** – Thorough understanding of Jesus Christ
  - 1) First of all, you must correctly know the Gospel of Christ.
  - 2) This is the start and end.
  - 3) If you possess the Gospel, then life movement will take place.
  - 4) If you go in the depths of the Gospel, then the spiritual battle will arise and the force of darkness in the fields will crumble.
  - 5) If you continue it, the doors of evangelism will open and systematically the life movement will arise.
  
2. **Authority movement**
  - 1) Life movement and evangelism movement is the spiritual battle.
  - 2) There is no power and continuation upon evangelism that has no spiritual battle.
  - 3) You must enjoy spiritual authority first. Then, you will be a witness.
  - 4) The spiritual authority is contained in the enjoyment of Christ. At that time, the works of the Holy Spirit will arise.
  - 5) If you go in the depths of it, you will conquer the world and the world will move from where you stand (Apostle Paul).
  
3. **Disciple movement**
  - 1) Disciples are needed.
    - (1) For those who have the picture of evangelizing to conquer the region, then you need disciples that can go to the region for your behalf.
    - (2) Those who have the picture of systematic evangelism to conquer the region, nation, and the world needs disciples.
    - (3) For those who have the thought of the evangelism system and all that is related to evangelism surely needs disciples.
  - 2) To overcome the culture, religions, and political powers.
  - 3) You can never conquer the region by 1:1 evangelism.
  - 4) How can you overcome the culture, religions, and political powers if you cannot overcome the region?
  - 5) It is a long battle that will take time to which the remnant movement is surely needed.
  
4. **Conclusion**
  - 1) You must partake in the evangelism movement that saves others.
  - 2) You must partake in the spiritual evangelism movement.
  - 3) You must come to realize that disciple movement is needed.
  - 4) By one person, all doors of evangelism will be opened. You must not belittle even one person.
