# The System

Acts 13:1-3

In the midst of persecution, the Early Church quietly raised disciples. It did not seem much, but it was never defeated. This is unchanging even now. Therefore, the church follows Apostle Paul's evangelism. If the Gospel is accurate, then accurate disciples will be raised. There is no other answer except for this to raise the disciples.

## 1. **People are the system.**

- 1) The person that has the Gospel.
- 2) The one who follows God's will.
- 3) The one who stakes their entire life to God.
- 4) The one who concludes everything in Only Christ.

## 2. **The Antioch Church System**

- 1) Those that are scattered because of the Gospel.
- 2) People of all nations (Multiethnic)
- 3) 2: Those who devoted themselves to the Gospel movement.
- 4) Discerning the disciples to raise.

## 3. **Answers that rightfully come**

- 1) Wherever you go, the work of disciples and the Gospel movement will arise.
- 2) Continuous doors will be opened.
- 3) Continuous Gospel expansion
- 4) The important devotion of the church officers
- 5) Remnants that are revived.

## 4. **Conclusion**

- 1) The person that can raise the system.
  - (1) The person who accurately organized the Gospel as their own.
  - (2) The person who enjoys Jesus Christ.
- 2) Works cannot be done if the church does not have a system.
- 3) The system that has the accurate Gospel will grow.
