

## Discipleship Mentality

Matthew 13:1-9

God's Gospel movement is centered on the disciples. Jesus first called the disciples and began his public ministry. Through many Words and miracles, Jesus proved that he is the Christ. Also, Jesus gave promises and commissions to them. Jesus' answer was perfect to which there were no flaws. May you be the disciple that holds to the complete answer of Christ and partake in world evangelism along with the disciples.
