Commission and Decision

Matthew 28:16-20

You must have a commission. It is because the commission is your life direction and purpose. The field must be in your heart because God's covenant is the truth. It is your commission to hold to the covenant in the field. God has given 4 commands for the end times. This is your commission and content to life.

1. **The one who has the commission**

- 1) The one who has a reason.
- 2) The one who connects with God.
- 3) The prayer that holds to the covenant - The scheduled prayer that is centered on the commission.
- 4) The life that has fulfillment and conquest.

2. **Decisions to be made**

- 1) Always have the fundamental covenant as the foundation.
- 2) God's desire
 - (1) If when the covenant is ready, then you are in the state of preparation.
 - (2) 24hr prayer
 - (3) 25hr answer – Witness
 - (4) Eternal blessing

3. **Before you make a decision**

- 1) The one who enjoys the Gospel.
- 2) The set time of prayer - Summit time
- 3) Personal spiritual state
- 4) Understand God's desire

4. **Conclusion**

- 1) The wisdom that lives in the wilderness - To receive and follow the Word.
- 2) The one who can tell others to follow them (Matthew 4:19)
- 3) If you know God's absolute plan, answers will follow.
- 4) Important prayer will begin when you give your life to God.
