Liberation

Romans 7:21-8:2

God does all things according to the Word. Therefore, even today you must receive the word. In each age the Prophet would play the role of receiving the Word and relaying it to the people. God didn't relay anything else but the Word and all things are contained in His Word. There are two principles when it comes to God who rules over the world. Those principles are Jesus Christ and world evangelization. Everything in this world is maintained according to the standard of these two principles. Therefore, knowing this fact means that you possess this great mystery. Knowing this mystery is so important to human beings because you must live according to it. Problems will be resolved for anyone who enters into this mystery. You can also resolve the problems of others with this. When you are able to do Only just a little bit, within this aspect, one day you will conquer your problems. God fulfilled the covenant by dying for the sake of His people so that you can live a life of transcendence. (John 19:30) From now on you just need to live according to this covenantal Word. May God's grace be upon you today so you will receive the Word. When this takes place Satan will crumble, answers will appear, and doors will be opened.

1. Liberation

- 1) Today's bible passage records a time in which Apostle Paul laments himself for following the law of sin and going to the place where he should not go because of his lacking body. He expresses that he can see himself being dragged by the law of sin but could not do anything.
- 2) Therefore he states, "Wretched man that I am!" He could not do anything about this. Likewise, mankind cannot do anything by their own strength. This is why God has given you the law of the Spirit of life as recorded in Romans 8:1-2.
- 3) It states, "Therefore." This means that mankind can never do it on their own. This is why God made this resolution to free all those inside of Christ from sin and forgive them.
- 4) The fundamental reason is God's love. The reason is God's earnest heart to bring His people out of curses.
- 5) Verse 2 explains this fundament. He has set you free in Christ Jesus from the law of sin and death. In that moment, you will be freed from all sins and receive forgiveness to the extent to which you will never go back into sin.
- 6) Because you have been freed, you will never be captured into the law of sin and death. He has completely set you free from it. This eternal freedom means that you can never go back into that state no matter how big of a sin you commit.
- 7) No matter how hard you try, your fate does not allow you to step into hell. God has made the resolution because it is His desire. This is liberation.
- 8) You must confirm where you were freed from. You must imprint this and make it your covenant. It is not completely new but has been completed. Be rooted in this. Then, that and the things that He gives you now will become the same promise. This is because the Word is alive.
- 9) Firstly, you have been set free from curses. This means that one that is inside of the covenant of Jesus Christ does not have curses. Even if you may try to fall into curses, you cannot. No matter how hard you try to go to hell, you cannot and it is the same for physical curses. It is liberation that does not allow you to fall into physical curses. You must remain in Jesus Christ.
- 10) Second, Satan's head will surely be crushed. Satan's head will be crushed in you and your life. You have been set free to crush the serpent's head (Satan) in your family and field to which the forces of darkness can never overcome you. It is the same even if you may be in sin for 24 hours. You must remain in Jesus Christ.
- 11) Third, you will never be separated from God. You are set free from the eternal separation from God. Rather, you are living your spiritual life in heaven and God is with you for 24 hours. God is with you even if you do not want it. This promise will be kept until the end of this world. You must remain in Jesus Christ. You will see the evidence in your life when you deeply hold onto Christ as your covenant.
- 12) This is your liberation. May you confirm this once again and make this your personal covenant. Then, your life will succeed, have victory. and conquer.

2. **World evangelization**

- 1) World evangelization is the covenant. It is not by efforts, devotion, or actions, but by the covenant of power and authority to crush Satan's head.
- 2) Also, if you have world evangelism as your covenant then it will expand your mind. Even if it's just a little, it will be done. You will go in the depths of prayer and rightfully receive great answers. It is not to work oneself up or to be full of one's own motives. If you receive world evangelism as your own covenant inside of Jesus Christ, then you will live a grand life and it will be an important element to your life.
- 3) Every work of God is centered on crushing Satan's head. There is authority in God's desire and mission to crush Satan's head. A committed worker who holds to God's given mission will not be called to heaven until it is completed. Mission from God is very important to God.
- 4) There is the work that God desires to fulfill. Also, God will never yield to anything for the sake of this. Therefore, no one can block the work of the one that stakes their life for God's desire. There is God's authority upon every work that is related to Jesus Christ. World evangelism is to testify that Jesus is the Christ to the end of the world.
- 5) Therefore, world evangelism is one of the fundamentals that enables you to live a grand life. There is answer, power, and authority in world evangelism. Also, you must connect with God's heart. World evangelism is a very important content to connect with God's heart.
- 6) Moses was a figure that connected with God's heart. In that age, world evangelism was for them to enter the land of Canaan. He was able to connect with God's heart in that aspect. For Apostle Paul, he connected with God's heart on that day. In the midst of Gentiles, he found the disciples and he was able to hold to the covenant to save the kings of the nation.
- 7) It was the message that he received to start from the Gentiles to the entire world. This was who Apostle Paul was so he continued to evangelize in prison and great works arose through it. May the blessing be upon you for the covenant world evangelism be upon your life to live a grand life.
- 8) For that to take place, you must first enjoy that you have been liberated from all. If you confess it, then you will enjoy it. This is the fundamental to receive all the answers. If you enjoy the answer, it will be revealed upon your life. This is the principle to receive answers to prayers for this is what God has created from the start. From here, you will receive all things. Your personal prayer topics are important, but you must fundamentally enjoy this first.
- 9) You have this promise, so you can be liberated from all problems. Also, you can liberate other people as well with the promise. If you testify the Gospel and continue the Word movement, then God will liberate them. Then, you will receive continuous answers and stand as a witness that conquers everything.
- 10) This is God's desire for you. It is the cross that has all authority. May you plant this in your heart once again, be victorious, and stand as a witness.
