

The Plague was Averted

2 Samuel 24:18-25

This is what is stated in Philippians 3:1, “To write the same things to you is no trouble to me and is safe for you.” This shows that Apostle Paul often said the same things in his messages. Of course, it would’ve been about the Gospel, and it probably meant that he repeatedly and continuously emphasized the same Word. You must do the same today. You must confirm, enjoy, and hold to the promise as the answer. The three offices of Jesus Christ are the complete answer to your life. The True Prophet, Priest, and King contained within Jesus Christ is the promise of the Gospel. Those who believe in this will receive salvation and gain power from this. The sun rises, even today, for the sake of these three promises. Answers, power, and authority are contained in these three promises. Relaying these three promises to the world is evangelism and true acceptance is accepting Jesus Christ who is the master of these three promises. As David enjoyed this promise, his spiritual eyes opened to which he killed Goliath and saved his nation. Within this enjoyment contains 24hrs and the blessings of the 393. Through the deep prayer of the 393, these three promises will be established in your field. Through this you will save mankind and the world from curses. Therefore, even today you must deeply enjoy the three promises and head towards the fulfillment of 24hrs. When you truly enjoy this you will live a true life and true answers will come to you. That is why the Gospel is the standard. Therefore, God will do according to the Gospel. Once again may your spiritual eyes be opened and may this be a time where this becomes your true imprint.

1. **The plague was averted**

- 1) Today’s bible passage records the last story of David. His last story is of a meaningful work that took place when all curses of Israel were averted as the blood sacrifice of the covenant was offered as David built an altar. This means that the message that God wants to give to you through David is that the blood sacrifice of the covenant can block all curses of mankind.
- 2) Verse 1 states, “Again the anger of the Lord was kindled against Israel, and he incited David against them, saying, ‘Go, number Israel and Judah.’” It was a great sin before God for David to rely on man’s power to perform the census.
- 3) Although David was against Joab, Joab insisted on and completed the census. After this, David’s heart struck him and he repented before God, asking for forgiveness. (10)
- 4) In Verse 13, God spoke through prophet Gad and told David to choose amongst three things that he offers him. First, it was three years of famine in their land. Second, he would flee three months before your foes while they pursue him. Third, there would be three days’ pestilence in their land.
- 5) In Verse 14, David made a great decision. He did not decide for himself, but desired to fall into the hand of the Lord. Therefore, the Lord sent a pestilence on Israel from the morning until the appointed time. (Verse 15) God allowed for this period of disturbance when David did the census for this judgment.
- 6) Verse 18 states, “And Gad came that day to David and said to him, ‘Go up, raise an altar to the Lord on the threshing floor of Araunah the Jebusite.’” That day, David built an altar before God and prayed as the plague was averted.
- 7) As you may know, this altar gets rid of all curses of mankind. Whenever the covenant of Genesis 3:21 is restored, the Israelites were brought out of curses. This happened every time the covenant was restored. The works of Israel are shown through repeated evidence of this.
- 8) The threshing floor of Araunah the Jebusite is in the same location of Mount Moriah, where Abraham gave the sacrifice of his own son, Isaac. Later on, it becomes the location of the temple of Solomon. It is a location that holds significant meaning. In this location, the covenantal sacrifice was given to end the curses of Israel. It was the location that renewed David and Abraham’s spiritual meaning.
- 9) And God picked a location and relayed this through prophet Gad. (Verse 18) The most important figure, King David, built an altar in the only location that is able to block disasters and forgive mankind’s sin. This was the place where Abraham, the figure of faith, was able to be raised. The place for mankind to meet God was decided. It was in that one place in the entire world.

10) That place was the temple, and the temple is Christ, the only way to meet God. Therefore, you can now meet God through Christ to come out of curses and break down all disasters. It is a unique place. May you receive this blessing.

2. The age of the three day weekend

- 1) God's desire is world evangelization. God desires for this movement to continue until the second coming of Jesus Christ. There were many events that arose in the wilderness, but God never gave up on His goal for them to enter the land of Canaan. Likewise, God will never give up on His absolute goal of world evangelism.
- 2) This is the reason why you must partake in the remnant movement. Every age, the youth and adolescents are the most serious issue. The world always targets the youth that are not fully matured. The three organizations (Freemason, Jews, New age) made the proclamation to completely destroy the youth and adolescents through the culture movement within the span of a hundred years.
- 3) Indeed, the three organizations (Freemason, Jews, New age) are creating many spiritual problems through demonic culture. There is an increase of patients facing depression, murders, and extreme crimes.
- 4) The reason the remnant movement is constantly emphasized is for them to not enter into these problems. It is your goal to save the remnants of the world who are compelled within the culture and seized by curses.
- 5) You must partake in the age of the three day weekend because the Gospel is the answer. The remnants must be the ones who possess the answer to the unknown future. The answer will be revealed upon the remnants lives just as it is promised. That is what the Gospel is and the remnants will live a life of conquest.
- 6) The world will see the signs of the end times. It will be done what has been stated in the Bible and no one can block it. God continues to make a point that the Gospel is the answer.
- 7) Another reason why the remnant movement must take place through the age of the three day week is because what is planted in the remnants at a young age will determine their lives. The Gospel is the Word. The Word is living and active and will be fulfilled. It is very important to plant the accurate and correct things to the remnants at a young age.
- 8) Before Satan is at work to imprint the incorrect things to the remnants, they must be imprinted quickly with the covenant Word. What you sow is what you reap. It is important to pray for the child from the womb and for their education. The child that was born since prayer is different compared to a child that was never prayed for.
- 9) It is not an exaggeration to say that the mother is able to determine everything for the child since the womb. A mother that always prays, receives grace, and blesses the child since the womb will receive tremendous grace through the child after giving birth.
- 10) May you never forget this and begin to pray for the age of the three day weekend. Next, the devotion of the church officers are important. The historical commission for the church officers is the remnant movement. Also, the Associate Pastors and the minister's devotion is important as well.
- 11) This important work does not end with devotion, but connects to very important blessings. May God's importance be upon you through the time of building the altar of the covenant and world evangelism. May you confess the covenant of the three offices of Jesus Christ as it is spread to yourself, the church, and fields.
